

NYAH — County Cavan Traditional Festival

2010 FÉILE EALAÍÓN CHONTAE AN CHABHÁN,

MARCH 10th – 28th

NYAH Festival draws directly on the term (pronounced kneeyah) that describes an Irish music performance that comes from the depths of the soul without compromise. The word “NYAH” refers to the very expression of the tradition; to the soul and feeling that makes it so unique.....it’s about the lift the music can give to the hardest heart.
